Subject: VB/I-70 Working Group Meeting this Thursday 3/21

Hello everyone:

We are planning to have a working group meeting this Thursday. Here are the details:

Date: Thursday, March 21, 2002
Time: 9:00am - 12:00 noon
Place: Swansea Recreation Center
2650 East 49th Avenue

Agenda:1. Discussion of EPA regulations and guidance on soil lead levels

What is the Toxic Substances Control Act? What are the requirements for lead levels in soil that were established in January , 2001 under this Act?

What is EPA guidance for determining protective levels for lead in soil at Superfund sites?

What is the relationship between the requirements under the Toxic Substances Control Act and the guidance for Superfund sites?

How are we following EPA guidance for Superfund sites at the VB/I-70 site?

2. Funding for Superfund cleanup actions

This agenda item was requested by the City of Denver. Mr. Roger Hoogerheide of EPA Region 8 will answer questions from the working group about EPA's process for getting clean up funds for Superfund sites.
